CHAMBER WELCOMES CONVENING OF INTEGRATION OF COMPENSATION SYSTEMS WORKSHOP

Johannesburg, 25 January 2016. The Chamber of Mines welcomes the convening of the workshop on the integration of compensation systems by the deputy ministers of Mineral Resources, Health and Labour.

This is an issue that has been on the agenda of government, labour and business for some time, and it is good that the practical work to achieve the desired goal has now begun. We hope that this matter will be finalised during the course of this year.

The Chamber is actively participating in the workshop, and will continue as participating in the process that lies ahead.
