

**PAUL DUNNE**

**President of the Minerals Council South Africa  
Chief Executive Officer of Northam Platinum**

*BSc (Hons)(Electrical Engineering), Master of Business Administration*

Paul Dunne joined Northam in March 2014 as Chief Executive Officer. He has been a Board member of Northam Holdings since 2020 and of the group since March 2014 and is a non-executive director of the International Platinum Group Metals Association (IPA). He was formerly an executive director at Impala Platinum Holdings Limited, responsible for mining, concentrating and smelting operations at the Group's Rustenburg and Marula mines.

Paul was elected as an Office Bearer of the Minerals Council in 2021, stepped in as caretaker President in December 2024 and was elected President at the AGM on 28 May 2025. He is a champion of the Minerals Council Women in Mining initiatives and the MOSH Noise Committee. During his tenure he has made an immense contribution.
