

DR KGABO RAMOROKA

Senior Research Specialist, CeSTII

Dr Kgabo Ramoroka is a Senior Research Specialist at the National Advisory Council on Innovation's (NACI) Centre for Science, Technology and Innovation Indicators (CeSTII), which is currently located within the Human Sciences Research Council (HSRC).

His research spans development economics, with a focus on science, technology and innovation (STI) for inclusive and sustainable development, including STI indicator development and rural, agricultural and mining innovation systems.

He holds a doctorate in Innovation Studies from the University of the Witwatersrand, and between 2016 and 2018 was the recipient of a SA-UK funded PhD fellowship at the University of Essex.
