

HOWARD MARSDEN

Ivanhoe Mines

Howard was born in 1974 in the city of Johannesburg. He matriculated at Pretoria Boys High in 1992.

He completed his BSc Mining Engineering degree at the University of Witwatersrand (WITS) in 1996. In 2006 he obtained his Masters in Engineering and in 2012 he obtained his MBA from the University of Warwick (UK).

He's been part of the mining industry since 1993. He started his career on the deep level gold mines, where after he moved across to De Beers at Cullinan where he gained invaluable underground experience in cave mining.

He then joined Gem Diamonds and did a stint in Botswana and Australia. He became part of the Petra Mining team in 2013 and the Ekapa team in 2016.

His years of hands-on experience in mining provide incredible insight and value to the Ekapa management team.

Howard loves spending his time outdoors and is a mountain-biking, horse-riding and birdwatching enthusiast.
