

MINERALS COUNCIL
SOUTH AFRICA

Khumbul'ekhaya

STOP THE SPREAD:

Your mask protects you, your family and your community

Wear a face mask or covering every time you leave your home

MAKE SURE:

Your mask covers your nose and mouth completely

You keep it on if you cough or sneeze

You don't touch your mask while wearing it

You wash your fabric face masks after every use with soapy water

Keep yourself and others safe wherever you go by wearing a mask

STAY SAFE AND HEALTHY
AT HOME AND AT WORK
