

WHEN WILL I BE VACCINATED?

3 PHASES

Vaccine supplies are limited right now. Vaccinations will be done in 3 phases:

PHASE 1: Our healthcare workers will be vaccinated first.

PHASE 2:

Essential workers:

Police officers, mineworkers and workers in security, retail, food, funeral, teachers, banking and essential municipal and home affairs, border control and port health services

Vulnerable people:

60 years and older people with co-morbidities such as TB, obesity, HIV, renal disease and diabetes

People living in overcrowded settings:

Shelters, care homes, prisons, detention centres

PHASE 3:

All South African residents above 18 years of age.

Remember that we must continue to do the right things to protect ourselves and others while we are waiting to be vaccinated, and after we have been vaccinated.

#MakingMiningMatter

#WeChooseVacciNation.
Together we can #BeatCovid.
