# **PAUSE, REMEMBER, AND RECOMMIT**

## **AT 12:00 ON 16 AUGUST 2022**

**On 16 August 2022, it will be 10 years since the tragic events at Marikana that changed our industry and our country.**

Let us pause for a moment's silence. While we remember the 44 people who lost their lives and the families whose futures were irrevocably changed, let us recommit – as fathers and mothers, sons and daughters – to continue working together to ensure these events never happen again.

By working together – companies, unions and employees, government and communities – we can make a difference in our world, and the world we create for our children.
