### **MINERALS COUNCIL SOUTH AFRICA RELEASES ITS POSITION ON CLIMATE CHANGE**

**Cape Town, 6 February 2023.** The Minerals Council South Africa today shared its position on climate change at Investing in African Mining Indaba 2023.

The Minerals Council and its members acknowledge that the mining industry can, and should, play a role in adapting to, and mitigating, the consequences of climate change in the South African ecosystem and supporting a Just Energy Transition. We are committed to participating in a responsible transition to a net zero carbon economy, prioritising climate resilient development.
